

Report to Municipal Council

Meeting Date: April 16, 2025	Report Date: April 9, 2025
Reason Before Council: Policy Direction / Approval	Priority: Normal
Department: Transportation / Public Works	Type of Meeting: Regular Meeting

Report Title: Disposal of Municipal Assets

Recommended Resolution:

That Council declares the 2012 Western Star Tandem Dump / Plow and the Reverse Osmosis Water Treatment System as surplus, for the purpose of disposal through Policy No: FIN-001

Background:

The Municipality currently has several items that have reached the end of their useful life; by disposing of these items the Municipality can free up space and potentially generate revenue through sale or auction.

The following table identifies items that have surpassed their useful life expectancy for the Municipality.

Item	Estimated Value	Estimate Source
Reverse Osmosis System	\$ 5,000.00	Historical / AMP- \$12,260.00
Winter Sand Truck Screen(s)	\$ 450.00 ea.	GovDeals - \$600.00
Equine Items	\$ 250.00 ea.	Equine supply website new \$ 460.00
Culverts (PCP)	Half value of new	Armtec, new
Compressor (Ice plant)	\$400.00	\$ 30,000 new - seized unknown
2012 Western Star	\$22,000.00	Currie Truck Centre (low 20,000) GovDeals \$ 12,000.00 - \$ 30,000.00
F550 2005 - Utility Truck	\$2,000.00	GovDeals- \$ 2,100.00
2014 Chevrolet - Truck	\$2,500.00	GovDeals- \$ 3,500.00 - \$ 5,500.00

**Analysis:**

As per requirement of Policy No: FIN-001, all items with a value of less than \$5,000.00 have been authorized by the Department Head and Treasurer for disposal, with the intent of items being posted through public auction.

All other items that are listed with a value that is greater than \$5,000.00 (2012 Western Star and Reserve Osmosis System) must be declared surplus by Council prior to the sale.
