## NOTICE OF MOTION FORM

**Member of Council:** Joshua Lachance

(print name)

Hereby files a **NOTICE OF MOTION** to be included on the Agenda for the meeting of

Council, which is scheduled to be held on: September 20<sup>th</sup> 2023

(enter date)

**SUBJECT:** Access to free public boat launches for the residents of the municipality of St-Charles

(enter subject)

and which **NOTICE OF MOTION** to read as follows (*attach additional pages as needed*):

THAT the municipality of St-Charles is home to many bodies of water, two of the larger ones being lake Nipissing and Nepewassi lake. I feel that there should be public access made available to both these lakes for our residents. I have a hard time understanding that with all the water frontage we have in our municipality that we do not have one public beach or boat launch. I believe that one should not have to own lakefront property in order to access and use the water. I would like to bring motion forward that the Municipality of St-Charles is to provide water access in the form of public beach and or boat launch at either or both lakes mentioned above.
